

# Avalanche™

## Defies Gravity Like No Other!

- The strongest, most powerful gravity flush
- Over 1,000 grams of bulk waste removal
- Maximizes flushing performance, minimizes flush noise level
- Elegant slimline design
- XP3 flushing technology
- 3" flush valve
- Fluidmaster® fill valve
- Dual-fed siphon jet
- 2" fully glazed trapway
- Powerful front rim jets

If you thought gravity-fed technology could only go so far, think again! Our Avalanche™ toilet raises the bar for the industry to over 1,000 grams per flush. Now you can have it all, from a 1.6 gpf gravity-fed toilet with a quiet flush that goes all-out every time!

GERBER®

PROFESSIONAL PERFORMANCE

# Avalanche™

1.6 gpf / 6.0 lpf Gravity-Fed Toilet

## XP3™ – 3" Flush Technology

Gerber has created the most advanced technology equipping the Avalanche toilet with the strongest, most powerful flush in its category. With an enlarged 3" flush valve and superior hydraulics, the exclusive XP3™ measurably outperforms the competition, delivering exceptional performance from a gravity-fed toilet. According to independent test results, the Avalanche flushes 1,000g of bulk waste. It's all the power and performance you could ask for in one low-maintenance, quiet machine.

1,000g of bulk waste material

## Slimline Design

The slimline tank and the side trip lever give the Avalanche a look worthy of its performance. Sophisticated and sleek from every angle, this design is available in White, Bone and Biscuit, to complement any style and décor.

## GERBER® + Fluidmaster® = The Number One Choice of Plumbing Professionals

The Avalanche was designed with the professional in mind. It is equipped with the Fluidmaster fill valve, the number one choice of plumbing professionals. With the quality of Fluidmaster inside, the Avalanche refills quickly, efficiently and quietly, adjusting water levels for the most effective flush—every time. You can count on optimal speed and performance for years to come.

### Round Front

COMBINATION	BOWL	TANK	ROUGH-IN
21-800	21-852	28-895	10"
21-802	21-852	28-890	12"
