All Mansfield wall-mount lavatories are supplied with this exclusive one-piece steel hanger. Easily installed and adjusted, it contains seven holes for solid mounting against wall. Anchoring screws must be used for correct installation. Standard plumbing practice recommends use of both mounting bracket and anchoring screws. NOTE: For secure installation, wall-mounting hanger should be fastened to solid, support wall stud.

These dimensions are nominal and are subject to change without prior notice.

Fixture performance and specifications meet or exceed, ANSI/ASME A112.19.2 and CSA B45.3 standards, and other state and local codes.

NOTE: Rough-in measurements may vary 1/4" (6.4 mm ±).

See our complete line of acrylic, vitreous china, cast iron and enameled steel bathroom and kitchen fixtures, plastic tank trim and plumbing products.
