

ACE IN THE HOLE SERIES

Model 3995

NEW

3/4 HP
Lifetime Warranty

- Continuous duty automatic submersible sump or portable utility pump
- Maximum pumping capacity to 7000 gallons per hour
- Heavy-duty engineered resin construction maximizes pump life
- Energy-efficient 7.5 amp continuous duty motor
- Automatic float switch designed for a minimum 12.6" diameter sump basin
- Built-in check valve, includes fitting for 1-1/4" or 1-1/2" discharge pipe
- Easy installation: Includes 8' grounded power cord (optional 20' power cord #1513002 and 20' float switch # PS217-64)

ACE IN THE HOLE SERIES

Model 3997

NEW

1/2 HP
Lifetime Warranty

- Continuous duty automatic submersible sump/effluent pump
- Maximum pumping capacity to 4500 gallons per hour
- Rugged cast iron construction maximizes pump life
- Clog-resistant design with vortex impeller and screen capable of handling up to 1/2" solids
- Automatic vertical switch designed for minimum 10" diameter sump basin
- Heavy-duty 12 amp motor with automatic thermal overload protection
- 1-1/2" NPT cast iron discharge
- Easy installation: includes 10' grounded power cord

Performance

Model Number	HP	Warranty (Years)	Switch Type	Min. Sump Diameter	Float Switch		Gallons per Hour at Discharge Height Above Pumping Level					Max Lift No Flow
					On	Off	0'	5'	10'	15'	20'	
3995	3/4	LIFETIME	Float	12.6"	13.7"	4.7"	7000	6000	5040	3840	2340	25'
3997	1/2	LIFETIME	Vertical	10"	6"	2"	4500	4080	3480	2880	2380	32'
